US Grants Limited Access to Anthropic's Mythos AI Model After National Security Review

The United States has approved limited access to Anthropic's Mythos AI model after previously blocking it over national

● ARTIFICIAL INTELLIGENCE

A close-up photograph of a white birthday cake decorated with fresh strawberries and a swirl of white frosting. Several lit candles, including yellow and purple ones, are placed on top of the cake. A small black circular topper with a white letter 'P' is also visible. The background is dark and out of focus, suggesting a party atmosphere.

OpenAI Restricts New AI Models to 'Trusted Partners' at US Government's Request

OpenAI has limited access to its newest AI models exclusively to 'trusted partners', acting at the explicit request of the

● ARTIFICIAL INTELLIGENCE

A blurred screenshot of the DeepSeek chat interface. It shows a blue circular logo with a white fish-like shape inside, followed by the text "Hi, I'm DeepSeek." and "How can I help you today?". Below this is a text input field with the placeholder "Message DeepSeek". At the bottom, there are two buttons: "DeepSeek (R1)" and "Search".

Hi, I'm DeepSeek.
How can I help you today?

DeepSeek Plans to Double Its Workforce After Low-Cost AI Model Shocked the Tech Industry

China's DeepSeek, the AI startup whose low-cost model stunned the global technology industry earlier this year, is
