US in Talks With India on Anthropic 'Fable' Model Rollout, Calls Discussions 'Sensitive National' Matter

The United States government has confirmed it is in active talks with India regarding the rollout of Anthropic's AI model,

● ARTIFICIAL INTELLIGENCE

The background of the entire page is a photograph of the Indian national flag, the Tiranga, waving on a tall flagpole. The flag's saffron, white, and green horizontal stripes, along with the Ashoka Chakra in the center, are clearly visible. The flagpole is a dark, slender vertical structure that extends from the bottom right towards the top right of the frame. The overall lighting is somewhat dim, giving the image a serious and official feel.

Government Plans Empowered, Unified Command Centre to Tackle AI Risks

The Indian government is planning to establish a unified and empowered command centre specifically designed to identify,
